

## WHERE THE WILD THINGS WERE

Take 30 Atlanta restaurants, 20 full-service open bars and four stages of live music, and put it all smack-dab in the middle of **Zoo Atlanta**, and what have you got? The

second annual **Jazzoo Atlanta**, which took place

Saturday, Sept. 26. Some 2,500 guests grooved to the A.M.-gold stylings of the city's premiere party band, **Yacht Rock Revue**

(above), and marveled at a ferocious cake from **the Highland Bakery** (right).

Even better, a brave few got into the spirit of the evening, revealing their inner party animals (left). Best of all, proceeds from the event go toward a new veterinary clinic for the zoo.
